Cobb of Glen Ellen will be present and install the newly elected officers. Not the least attractive feature of the evening's pleasures will be a grand banquet at the Toscano Hotel after the business session.

You may eat all the good sensible food you like if you will let Kodol digest it for you. Don't worry about dyspepsia or indigestion, for worry only tends to make you more nervous. Besides you don't have to worry any more about what you eat, because Kodol for dyspepsia and indigestion will digest any food at any and all times. Kodol is guaranteed to give prompt relief. Sold by all druggists.

## Mailing of Postal Cards

The following order has been issued by the Post Office Department concerning the mailing of the following particularly described Post Cards:

"Cards bearing particles of glass, metal, mica, sand, tinsel, or other similar substances, are unavailable, except when enclosed in envelopes tightly sealed to prevent the escape of such particles, or when treated in such manner as will prevent the objectionable substances from being rubbed off or injuring persons handling the mails."

This order prevents the acceptance for mailing, cards placed in transparent envelopes with a hole in them, ostensibly but improperly indicating the place where the stamp is to be fixed. Such cards have heretofore, only, accepted for mailing, where the stamps were affixed to the envelopes containing the card. The public is therefore cautioned against the mailing of post cards of the nature of the ones above referred to, except when they are enclosed in tightly sealed envelopes.

## Got Two Years

Luigi Lia, convicted of assault with a deadly weapon upon C. Rigoni by stabbing him in the back several months ago, was sentenced Monday by Judge Seawell to two years in Folsom State Penitentiary. Two years is the maximum penalty provided by law for such a crime.

Attorney Mathewson who defended Lia asked for a new trial but Judge Seawell denied the request. It is understood that an appeal will be made to the Supreme Court.

## I. O. O. F. Banquet

Deputy Noble Grand Reeder of Santa Rosa installed the newly elected officers of Sonoma Lodge I. O. O. F. last Saturday evening. Notwithstanding the inclemency of the weather there was a large attendance of members. After the business of the meeting had been concluded, the officers and members and a number of invited guests partook of a delicious and elaborate banquet at the Toscano Hotel. Mine Host Cuicci added to his fame as a chef and was greatly praised for the excellent menu provided.

The following officers were installed:— W. S. Dunn, N. G.; H. Dunn, V. G.; Jas. H. Albertson, Sec'y.; Fred Bulotti, Treas.; A. Entlemaun, Warden; J. B. Small, Cond; R. & L. S. N. G. John Waggon and Claud Johnson; R. & L. V. S. S. D. Gluister and Roy A. Pauli, Philip Bill, Inside Guard.

## Moving Picture Show

Francisco Bescioni has received his moving picture machine and has made arrangements with the Bellevue Hotel, El Verano, for a hall, for the entertainments it is his purpose to give. The machine is of the latest improved pattern of Edison's wonderful patent. Mr. Bescioni expects to be ready for business by the first of next month. Three thousand feet of pictures and two illustrated songs will be given. Frequent changes will be made in pictures and songs.

## A. E. Sondag, the Tailor

A. E. Sondag, the tailor, formerly of Sonoma, was in the valley this week taking orders for men's tailor-made suits. Mr. Sondag and family are temporarily located in Fruitvale, but the former expects to get permanent quarters for his tailoring establishment in the metropolis, in the near future. For many years he has enjoyed a liberal patronage from this valley and his work always gives satisfaction. Mr. Sondag will make regular weekly trips to the valley and solicits a share of the trade. Give him a trial order for a good suit and you'll be satisfied.

The entrance of an eagle, carved in ice, and of heroic proportions, of the gigantic letters N. S. G. W. and of a big California bear, all molded in ice also, and borne aloft on the shoulders of six waiters, characterized and symbolized the spirit rampant at the banquet given last Saturday night in San Francisco, by the Past Presidents' Association of the Native Sons of the Golden West.

## Sulphured Fruit Healthful.

Dr. Albert J. Atkinson declares that sulphur in fruit instead of being a detriment to health is beneficial. He has reached this conclusion as the result of experiments which he has been conducting with a number of men for the last thirty days.

All but two of the men who have been eating quantities of fruits dried with sulphur have gained from one to nine pounds. Those who lost explain it by loss of sleep in one case and by a severe cold the other. The experiment was carried on under the supervision of a number of reputable physicians and the result will be laid before the Secretary of Agriculture and the California delegation in Congress.

## The County Hospital

According to the reports of Dr. Bogle, County Physician and Superintendent of the county farm it cost the county \$25,373.96 net, to run the hospital and farm during the year of 1908. Several hundred patients were cared for during the year. Sonoma County's hospital is considered one the best equipped and best managed in the state.

Beware of Ointments for Catarrh that Contain Mercury as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free. Sold by Druggists. Price, 75c. per bottle.

Take Hall's Family Pills for constipation.

## Misery in Stomach

Why not start now—today, and forever rid yourself of stomach trouble and indigestion? A dieted stomach gets the blues and grumbles. Give it a good cat, then take Pape's Diapiesin to start the digestive juices working. There will be no dyspepsia or belching of Gas or eructations of undigested food; no feeling like a lump of lead in the stomach or heartburn, sick headache or Dizziness, and your food will not ferment and poison your breath with nauseous odors.

Pape's Diapiesin costs only 50 cents for a large case at any drug store here, and will relieve the most obstinate case of Indigestion and Upset Stomach in five minutes.

There is nothing else better to take Gas from Stomach and cleanse the stomach and intestines and besides, one triangle will digest and prepare for assimilation into the blood all your food the same as a sound, healthy stomach would do it.

When Diapiesin works your stomach rests—gets itself in order, cleans up—and then you feel like eating when you come to the table, and what you eat will do you good.

Absolute relief from all stomach misery is waiting for you as soon as you decide to begin taking Diapiesin. Tell your druggist that you want Pape's Diapiesin, because you want to be thoroughly cured of Indigestion.

The State Assembly Saturday passed Johnson's bill, making October 12th a legal holiday, in honor of the discovery of America. The bill was introduced at the request of the Knights of Columbus.

Entered at the Sonoma Postoffice as  
Second-class matter.  
FRIDAY, JANUARY 29, 1909.

## Valedictory

With this issue I sever my connection with this paper, having sold my interest in the same to Mr. C. L. Newman, an experienced printer and a newspaper man of many years standing who will continue to furnish its readers with the best and newest paper published in this section.

I desire to thank my friends and patrons for their generous support during the time—over five years—I have conducted the EXPOSITOR and bespeak for my successor the same encouragement and support.

I will ever hold in dear remembrance the many warm friendships formed in good old Sonoma and deeply appreciate the unselfish loyalty of many good friends whose welfare I shall always strive for as my own.

I think it proper at this time to extend forgiveness to my enemies and thank them for they certainly helped considerably.

And now dear readers, I bid you one and all farewell and God speed.

Very respectfully, yours in friendship,

W. O. HOCKER.

## Its An Ill Wind etc.

Apocryph of the recent talk in regard to the new merchants license passed by the Board of Trustees and remaining unenforced it looks as though the arguments and agitation would bring out the fact that the assessment roll of this city is badly in need of correction. The next City Board of Equalization will in all probability equalize the next assessment of property for purposes of taxation. A consummation devoutly to be wished.

## Only Spend \$15,000 per Year

A well-known resident of Fifth Street West has made a careful estimate of the amount of trading done by the residents of that street in Sonoma City. Something over \$15,000 per year is expended with the merchants in this city by the people of Fifth Street West, a street that has received no attention by way of repairs or graveling for fourteen years. The good people along that thoroughfare are justly much dissatisfied with the way that they have been treated both by the City Trustees and the Board of Supervisors, the street belonging half to the city and half to the county. The residents in that section would not complain so much if they had been excused from paying taxes all this time but they do pay taxes and the money is spent in fixing the road in front of some other people's property. Where there's a will there's a way and the powers that be can fix that street if they want to. But will they, and when?

## Our Old Mission

Some weeks ago the ravages of time reached their limit on the old monastery of the mission in this city, and the roof caved in and carried a portion of the upper walls with it. State Commissioner F. D. Duhring immediately employed men to clear away the wreckage and protect the remaining walls. R. B. Fowler, a native of this city and a pioneer was one of the work men and has kindly brought to this office a piece of rawhide used in fastening the rafters of the historic old structure, built in 1824. The things are well preserved and seem to be as strong as the day when the old mission fathers built the home where the uncivilized were taught to revere the Savior of Man, and the right way to live.

## One Day Only.

For Saturday only, Jan. 30th, '09 Sonoma Valley Woman's Club Day at G. H. Hotz's Store, Napa Street. The Club Ladies will have this well known Dry Goods Store in charge on Saturday, above date—both day and evening. A call on the Ladies will assure you bargains and polite attention. Come and help the Sonoma Valley Woman's Improvement Club along. Proceeds for the benefit of the Club.

## Murderous Assault

Between 6 and 7 o'clock last Tuesday evening, two woodchoppers working for J. K. Bigelow on the old Dutton place in the hills about two miles from town became engaged in a quarrel over the possession of a certain blanket. The two men who quarreled were John Riley and Joe Malone and with them in the room at the time was Porto Rican by the name of Joe Gonzales.

The argument waxed hot when suddenly Riley grabbed an ax standing in the corner of the room and with a vicious swing struck Malone a vicious blow in the chest several inches long and dangerously deep, almost to the heart. Riley in his rage raised the ax to give another blow evidently intending to finish the job when Gonzales sprang up grasped the ax and prevented what would probably have been a fatal blow.

After the attack Riley fled and Gonzales brought the wounded man who displayed wonderful nerve and grit to the Bigelow home nearly two miles away. Mr. Bigelow got his auto and hastened to town with all possible speed to a physician who at first feared the unfortunate man would pass away from the loss of blood. He was revived and twenty-four stitches were required to close the ugly wound. The man appeared to be approaching the end and Father Leahy and Judge Small were called, the former to give the rites of the church and the latter to take what was thought would be his dying statement.

Dep. Jos. Ryan started out immediately to look for the man who committed the assault. He found him in a box car at Verano Station. Officer Ryan brought his man into town and locked him in a cell of the city jail. When asked why he cut his fellow workman with an ax he stated that he thought Malone was going to do him up so he attempted to do Malone up first.

District Attorney Clarence F. Lea accompanied by Court reporter Scott came down Wednesday afternoon and a preliminary examination of Riley was heard before Judge Small who held him to appear before the Superior Court on a charge of assault to murder. Dep. Sheriff Ryan took Riley to the County jail yesterday morning to the preliminary was substantially awaited trial. The evidence given at in accord with the facts as related above.

Dr. Llewellyn the attending physician reports that unless unforeseen complications set in, the injured man will recover.

## New Telephone Man

W. H. Palmer of Sebastopol is the new telephone man who is looking after the interest of the Northwestern Telephone and Telegraph Company in this valley. Mr. Palmer is a young man of ability and standing is courteous and accommodating and attends strictly to business at all times and does so promptly. He gives promise of making a splendid local manager.

## Champlin-Fraser Nuptials

Last Tuesday at the home of the bride's mother in Alameda Miss Maud Fraser and Rev. Chas. C. Champlin were united in the holy bonds of matrimony. The bride was formerly a member of the faculty of the local high school and was a great favorite not only with pupils and parents but with all with whom she came in contact. The fortunate groom is a native of this valley and a graduate of the local high school and the state university. He is fast attaining distinction in his chosen profession. The EXPOSITOR joins the host of friends of Mr. and Mrs. Champlin in wishing them a blissful wedded life.

## Samuel Lewis Dead

Samuel Lewis, aged 80 years and a native of Massachusetts passed away at the county hospital last Monday night. Deceased had been ailing for some time with a complication of disorders due to old age. Mr. Lewis' life was one of varied experiences. He was in the battle of Gettysburg and Antietam and had traveled extensively all over the country. He was at one time a wealthy man. He had lived in Sonoma for the past few years and had many friends who will regret to learn of his demise.

#### Uncle Toms Cabin.

Stetson's "Uncle Tom's Cabin" is the mammoth production of "Uncle Tom's Cabin" which will appear on on Friday evening Feb. 5th. at the Opera House Sonoma. The rendition of Uncle Tom by the well known and well-liked company will never grow old. This marriage ment evidently believes in the maxim: "What's worth doing is worth doing well." There runs through this grand story a pathos peculiarly touching and sweet. It speaks the universal language of the heart. It reflects like a mirror the innermost emotions of the human mind. It is more than a play — it is a moral classic. It argues for two of the greatest themes that can engage the mind — human liberty and the immortality of the soul. Notwithstanding the frequent production of this play, it is never produced in the sumptuous manner by other companies as it is in Stetson's. It is like meeting an old friend after a year's absence. In his theatrical offering, Manager Washburn has brought together all the requisites that go to make up a really great production and one it will be a real loss to miss. Secure your reserved seats at Simmons's Drug Store Price 50 cents.

## FACE TO FACE.

A New Problem For Women.

In the looking-glass a woman often sees wrinkles, hollow circles under the eyes, crow's feet—all because she did not turn to the right remedy when worn down with those troubles which are distinctly feminine. Backache, lassitude, nervousness and the palis and drains of womanhood bring such untold suffering that the face is sure to show it.

Every woman, young or old, is well protected from the blues, nervousness, backache, and the many symptoms of disease so prevalent among our women—if they will conscientiously take Doctor Pierce's Favorite Prescription, a safe and sure remedy for the ills of womanhood, because it contains not a particle of alcohol, digitalis or any deleterious drugs. Weak women are made strong and sick women are made well by this splendid prescription which was used by Doctor Pierce in his large private practice in the specialty of women's diseases. Every woman troubled in this way should write him about her case, care of the "Valid's Hotel and Surgical Institute, Buffalo, N. Y."

Many times women call on their family physicians, suffering as they imagine, one from dyspepsia, another from heart disease, another from liver or kidney disease, another from nervous exhaustion or prostration, another with pain here and

there, and in this way they all present alike to themselves and their easy-going and indifferent, or over-busy doctor, separate and distinct diseases, for which he assumes them to be such, prescribes his pills and potions. In reality they are only symptoms caused by some "vital disease." The physician ignorant of the cause of suffering, encourages this practice until large bills are made. The suffering patient gets no better, but probably worse, by reason of the delay, wrong treatment and consequent complications. A proper medicine like Dr. Pierce's Favorite Prescription, directed to the cause, would have entirely removed this disease, thereby dispelling all those distressing symptoms, and instituting comfort instead of prolonged misery. It has been well said that "a disease known is half cured." In cases almost innumerable, after all other medicines had failed to help and doctors had said there was no cure possible, the use of Dr. Pierce's Favorite Prescription, supplemented when necessary, by the medical advice and counsel of Dr. Pierce, has resulted in a perfect and permanent cure.

### THE SECRET OUT.

To refute the many false and malicious attacks, bogus formulas and other untruthful statements published concerning Dr. Pierce's Family Medicines, the Doctor has decided to publish all the ingredients entering into them and place the same on the wrapper inclosing each bottle. The exact working formula for making these medicines cost Dr. Pierce and his collaborating Chemists and Pharmacists many years of study and experience, but he has perfected them, and made almost perfect pharmaceutical compounds, embodying all the active medicinal principles found in the ingredients employed, and preserving them perfectly for any length of time and in any climate without the use of a drop of alcohol.

These are the Original Little Pills, first put up over 40 years ago by Dr. R. V. Pierce. They've been much imitated but never equalled. Smallest, easiest to take and best. They're tiny, sugar-coated, anti-bilious granules, a compound of refined and concentrated vegetable extracts. Without disturbance or trouble, constipation, indigestion, bilious attacks, sick and bilious headaches, and all derangements of the bowels, and the bowels are prevented, relieved and cured. Permanently cured, for their mild and natural action, these little pills gently lead the system into natural ways again. Their influence lasts.

## BREVITIES

"Too much value cannot be placed on Burbank's thornless cactus as a fodder for cattle," was the declaration by Charles J. Welch, who has a big cattle ranch at Los Banos in Southern California. Welch last year planted thousands of Burbank cactus plants says they are thriving and growing in every way as Burbank said they would. He and other Los Angeles men were in Santa Rosa last week to see Mr. Burbank regarding other big shipments. Southern Pacific land commissioners are contemplating planting large areas of Burbank cactus on desert lands along the system.

Already there is talk of a grand Rose Carnival in the City of Roses during the coming summer and much interest has been aroused. It is practically decided that a rose carnival, one of the biggest and best ever held in Santa Rosa where the first rose carnival in the State was held many years ago, will take place. The rose carnivals of the past have never failed to attract thousands of visitors.

An enormous grey coyote arrived in Los Angeles Thursday by freight, having been shipped with a carload of steers from Imperial valley. How the coyote got into the stock car in unknown, but when the car arrived at the yards of the Hauser Packing Company it leaped out and ran into a sheep corral where it attempted to throttle a sheep. An employee shot the animal.

It requires a proper combination of certain acids with natural digestive juices to perfect a dyspepsia cure. And that is what Kodol is—a perfect digester that digests all the food you eat. If you will take Kodol for a little while you will no longer have indigestion. You then couldn't have indigestion. How could you have indigestion if your food were to digest? Kodol digests all you eat. It is pleasant to take, acts promptly. Sold by All Druggists.

Up to the year 1854 the newspapers of England labored under the handicap of a special government tax.

**Stomach Trouble Cured**  
If you have any trouble with your stomach you should take Chamberlain's Stomach and Liver Tablets. Mr. J. P. **The Pure Food Law**  
Secretary Wilson says: "One of the objects of the law is to inform the consumer of the presence of certain harmful drugs in medicines." The law requires that the amount of chloroform, opium, morphine, and other habit forming drugs be stated on the label of each bottle. The manufacturers of Chamberlain's Cough Remedy have always claimed that their remedy did not contain any of these drugs, and the truth of this claim is now fully proven, as no mention of them is made on the label. This remedy is not only one of the safest, but one of the best in use for coughs, and colds. Its value has been proven beyond question during the many years it has been in general use. For sale by L. S. Simmons.

Statistics showed that last year over 60,000 horses were slaughtered for food in France and 30,000 in Germany, and that horse flesh was becoming more and more popular in all countries of the continent.

### Shake in a Bottle

Now is the time when the doctor gets busy, and the patent medicine manufacturers reap the harvest, unless great care is taken to dress warmly and keep the feet dry. This is the advice of an old eminent authority, who says that Rheumatism and Kidney trouble weather is here and also tells what to do in case of an attack.

Get from any good pharmacy one half ounce Fluid Extract Dandelion, one ounce Compound Kargon, three ounces of Compound Syrup Sarsaparilla. Mix by shaking in a bottle and take a teaspoonful after each meal and at bedtime.

Just try this simple home-made mixture at the first sign of Rheumatism or if your back aches or you feel that the kidneys are not acting right. This is said to be a splendid kidney regulator, and almost certain remedy for all forms of Rheumatism, which is caused by uric acid in the blood, which the kidneys fail to filter out. Any one can easily prepare this at home and at a small cost.

Druggists in this town and vicinity, when shown the prescription, stated that they can either supply these ingredients, or compound the mixture for them.

The total number of sailing vessels in the world is double that of steamers.

### Wise Talks by the Office Boy.

Pa says one of the best ways to improve your business is to improve your character. The best advice that was ever offered a young man was given in one word. "Think" men can be divided into two kinds real men and "ditto marks." The real man who thinks for himself,

acts for himself—one who has an individuality. The "ditto mark" is the man who always thinks like some one else, acts like some one else is always doing what ever he does in imitation of some other person. If he is a merchant he is always offering something just as good as —. He gets his living out of imitation. His chief argument is "just as good as —." Wouldn't you like to trade with people who do things and be waited upon by pleasant sales people who "think" and buy Goods honestly priced and fully guaranteed to be as represented where a five year old child can buy as safely and as cheaply as a lady or man. One price to all and that's the lowest possible for good reliable goods. Try trading at our store for a month and note the difference.
